

Romsey Road Runners 5 Mile Beer Race

There were a record 250 finishers for the Romsey Road Runners annual beer race held round the picturesque village of Braishfield, just north of Romsey. On a hot and humid morning, local councillor and ex mayor of Romsey, Mark Cooper set the entrants off and was there at the finish to cheer the runners back in and present the prizes.

First home in an amazingly fast time for the course and conditions was James Baker of Chichester Runners and Athletics Club in a time of 25minutes and 51 seconds. To complete the top three men were Mike Grist of Poole Runners and Wayne Ewens of Stubbington Green Runners.

First of the ladies home and in 20th place overall was Valaria Sesto in a time of 31 minutes and 30 seconds, followed in by Paula Moseley of Hereford Triathlon Club and Sarah Hazell of BTF.

What makes this race a little unusual is the pint of Fullers London Pride beer and bottle of Hildon Water to refresh the finishers, this helped last years race get a write up in the national running magazine Runners World. The Old House at Home helped set up the bar and made sure the beer was just right for serving. Local running shop Up and Running also provided some spot prizes and continue to help and support running events in the area.
